

**NATIONAL ACTIVE AND RETIRED
FEDERAL EMPLOYEES ASSOCIATION
ARIZONA FEDERATION**

March 1, 2018

Dear NARFE Members,

The Arizona Federation will be holding a 2018 Arizona Federation Biennial Workshop and Annual Meeting on Wednesday, June 6th. All registration information as well as the tentative agenda are attached. If you will need lodging, see the Registration Form for suggestions.

We will be discussing the National Candidates, the Bylaws and Resolutions that we will each be voting on between May 10th and June 30th. This should be a very informative session and assist every member in deciding how they want to vote on these important decisions. If we want NARFE to survive, then we need all the information on these issues that we can get. Come, ask questions, and check out the rumors that are floating around. These discussions could change your minds or reaffirm your decisions on how to vote on some items.

We will also be conducting training on the duties of the CDL/SLs, Treasurers, Presidents, and Membership Chair positions. New officers and those thinking about assisting your chapters, here is your chance to learn.

I would encourage EVERY chapter to have at least one member and recommend more than one attend this Biennial Training. Also, chapters should consider helping each attending member with some of their expenses. They will be returning with some very valuable information for your chapter.

National members are welcome to attend and join in on the discussions. You will also be voting. Come, ask questions, and meet some chapter members and see what the chapters do.

As you will note on the attached registration form, the seating is limited to 100 attendees so register early. The Registration Fee for attending the training session is \$18.00 per person, which includes a buffet lunch.

The point of contact for information and questions will be:
